#### **5.80.010 Service station defined.**

A. "Service station" means a place of business where gasoline or any highly volatile fuels for motor vehicles or internal combustion engines are sold or offered for sale at retail and dispensed into the fuel tanks of such motor vehicles.

B. "Service station" also means and includes a private storage tank where such products are dispensed for motor vehicles or internal combustion engines.

#### **5.80.020 License—Required.**

It is unlawful to conduct or operate any service station in the city without having first obtained a license therefor; provided that no license shall be issued to an individual until the necessary inspection permits have been acquired from the fire department.

#### **5.80.030 License—Fee.**

The license fee for operating a service station shall be as specified in the fee schedule adopted pursuant to section 5.06.050. Such fee shall be in lieu of the flammable combustible handlers' fee.

#### **5.80.040 License—Issuance conditions.**

No such license shall be issued unless the location and equipment to be used fully comply with all the ordinances of the city and the Fire Prevention Code of the National Fire Prevention Association governing the storage and

handling of combustible liquids.

#### **5.80.050 Coin- or credit-operated stations.**

It is unlawful for any person, firm or corporation to maintain any credit or coin-operated station without the services of an attendant on duty at all times.

#### **5.80.060 Non-business filling stations.**

Anyone maintaining or operating any fuel storage tank for the use of automobiles of the owner, lessee, employees or agents of such person shall comply with all the provisions of applicable city ordinances except the payment of a fee provision.

#### **5.80.070 Food and beverage sales.**

No food or beverages shall be served, sold or allowed to be consumed on the premises of a service station without the licensee first acquiring the necessary food-handling permits and other licenses required by this code.
